

Recruiting Medici 2024

Online from June 18th

EXPLORE NEW OPPORTUNITIES: THE ROLE OF PHYSICIANS IN PHARMA COMPANIES

Are you a student or a graduate in MEDICINE?

Participate in the third edition of the Virtual Fair Recruiting Medici and discover how pharmaceutical companies can be the ideal place for your professional growth.

Be the protagonist of the event:

- connect with important pharmaceutical companies looking for your profile
- deepen the roles and activities carried out in medical departments
- imagine your career from another perspective

How to participate:

Register for free at www.biopharmaday.it

- select the webinars of the companies you are interested in
- interact live with HR managers and company doctors
- discover open positions and apply

Follow the webinars and apply for job offers:
